BIX

Debit Card

Welcome to BIX Card – Empowering payments with speed and efficiency

Send, receive and spend money effortlessly

The information provided herein is for informational purposes only and does not constitute an offer or solicitation. Approval is subject to the company's assessment, regional restrictions, and eligibility criteria. Terms and conditions, including interest rates, fees, and referral program, are subject to change without notice. Please read the full terms and conditions before applying.

BIX

Debit Card

It is essential that users complete the following initial registration steps through **IBPortal.**

This ensures that their **BIX account** is correctly linked to their existing **IB Portal** account.

Users should complete these steps before attempting to log in to BIX.

The information provided herein is for informational purposes only and does not constitute an offer or solicitation. Approval is subject to the company's assessment, regional restrictions, and eligibility criteria. Terms and conditions, including interest rates, fees, and referral program, are subject to change without notice. Please read the full terms and conditions before applying.

How To Register

Accessing BIX Registration

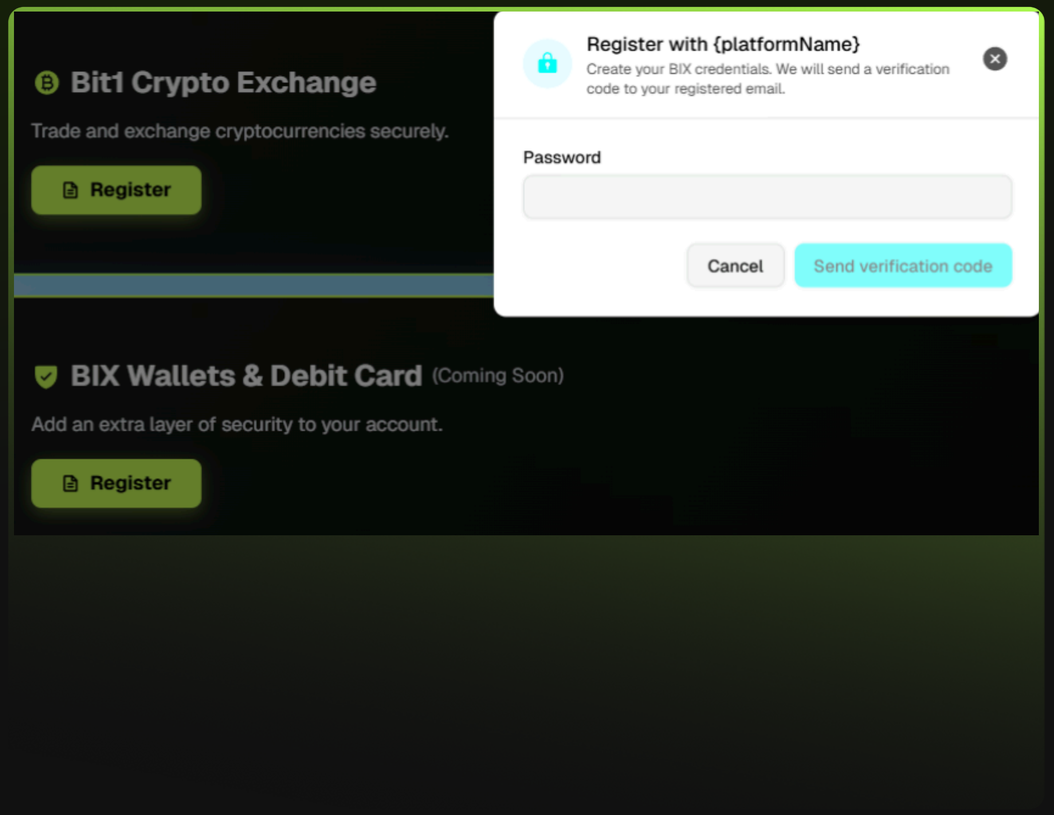

- **Log in to IB portal** and Navigates to **Profile**
- Scroll down to BIX Wallets & Debit Card
- Click **Register**

The information provided herein is for informational purposes only and does not constitute an offer or solicitation. Approval is subject to the company's assessment, regional restrictions, and eligibility criteria. Terms and conditions, including interest rates, fees, and referral program, are subject to change without notice. Please read the full terms and conditions before applying.

Setting The BIX Account Password

- A registration form will pop up
- Set a password for your **BIX account Profile**
- Once the password has been entered, the user must click **“Send verification code.”**

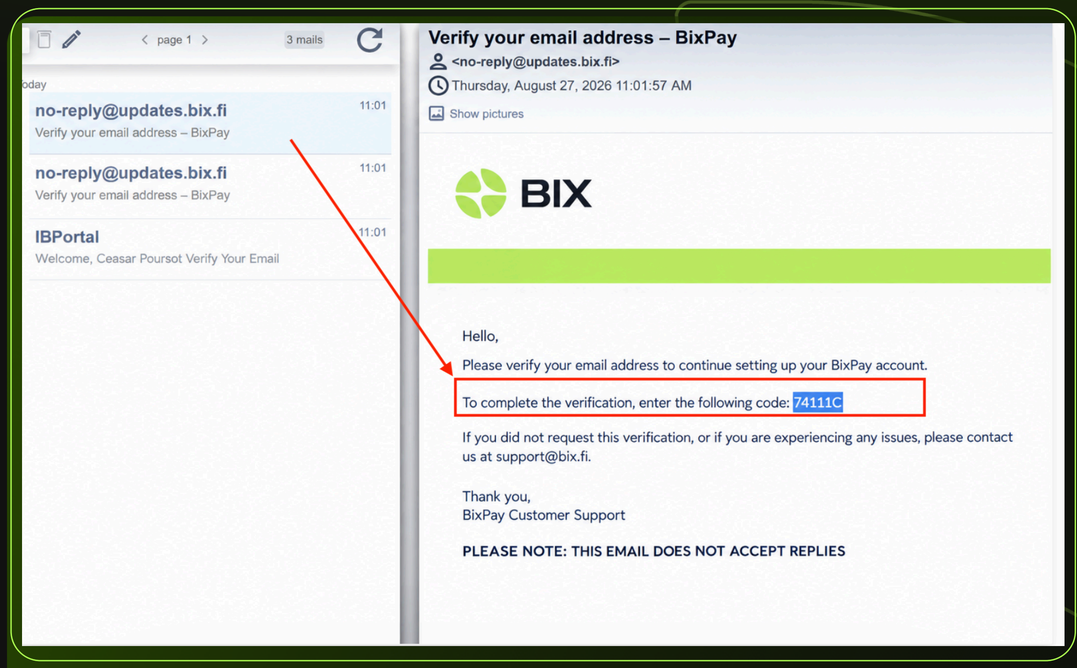

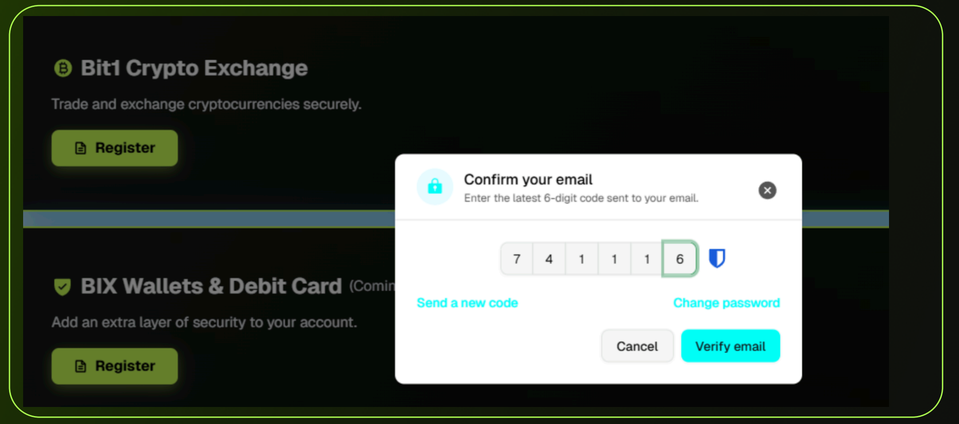

The information provided herein is for informational purposes only and does not constitute an offer or solicitation. Approval is subject to the company's assessment, regional restrictions, and eligibility criteria. Terms and conditions, including interest rates, fees, and referral program, are subject to change without notice. Please read the full terms and conditions before applying.

Email Verification

- A **OTP verification code** will be sent to the email address linked to the user's **IBPortal account**.

- Enter the **OTP verification code** you received into the verification form shown on screen.

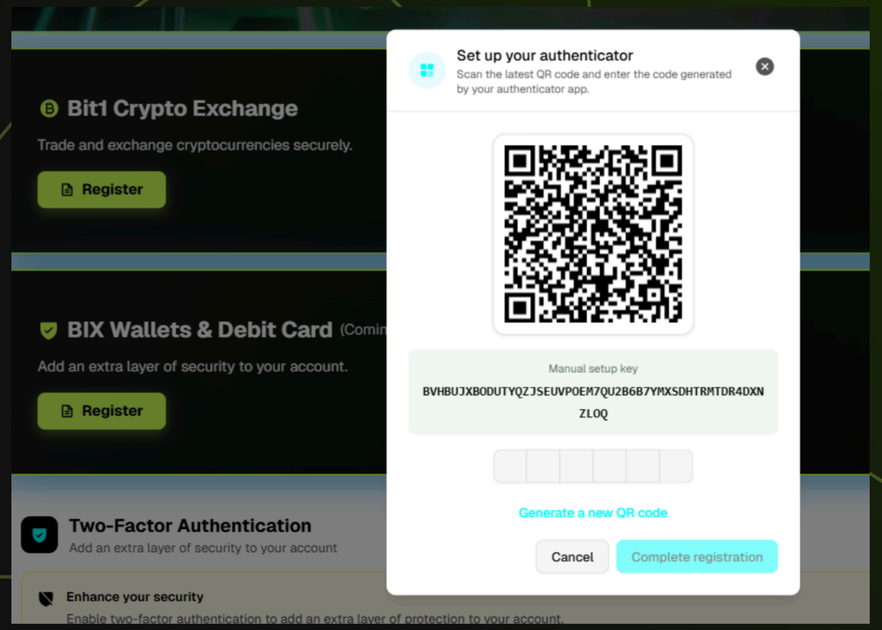

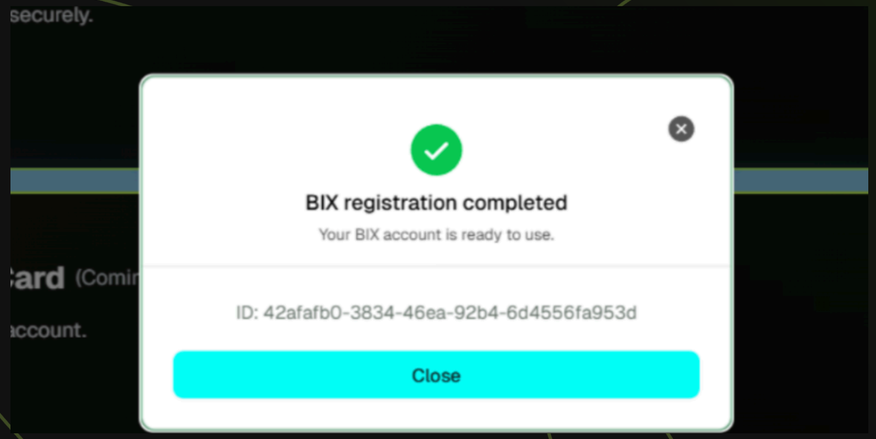

The information provided herein is for informational purposes only and does not constitute an offer or solicitation. Approval is subject to the company's assessment, regional restrictions, and eligibility criteria. Terms and conditions, including interest rates, fees, and referral program, are subject to change without notice. Please read the full terms and conditions before applying.

Setting Up Two-Factor Authentication

- Once the verification code has been successfully validated, the user will be prompted to configure **Two-Factor Authentication (2FA)**.
- The user must complete the 2FA setup, enter the corresponding verification code, and confirm the configuration. (Ex. Authy, Google Authenticator, etc.)
- Once the 2FA verification is successful, the **BIX registration process is complete**.

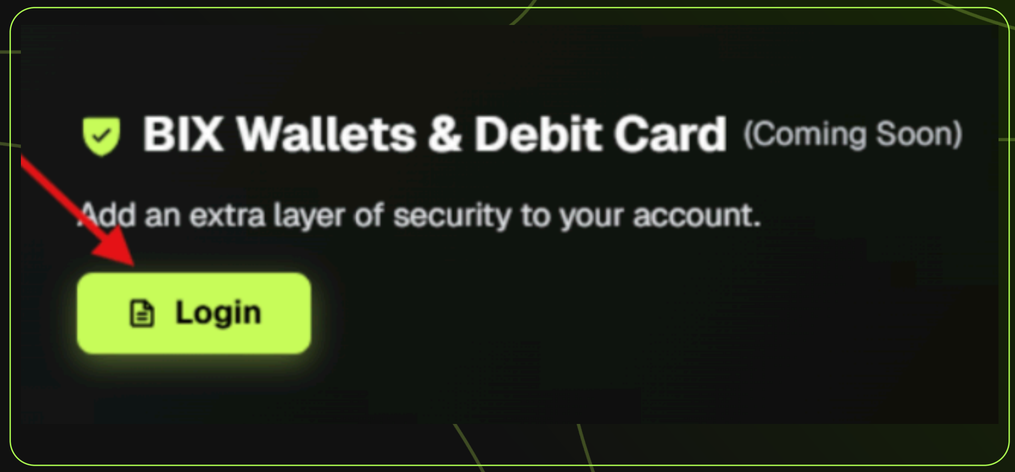

The information provided herein is for informational purposes only and does not constitute an offer or solicitation. Approval is subject to the company's assessment, regional restrictions, and eligibility criteria. Terms and conditions, including interest rates, fees, and referral program, are subject to change without notice. Please read the full terms and conditions before applying.

BIX Login and Onboarding

- After completing the registration, the user must navigate to the **BIX login page** and sign in using their credentials:
- **Email:** The email address associated with their IBPortal account.
- **Password:** The password configured during the BIX registration process.
- After successfully logging in, the user must **complete the BIX onboarding process** to finish the setup.

The information provided herein is for informational purposes only and does not constitute an offer or solicitation. Approval is subject to the company's assessment, regional restrictions, and eligibility criteria. Terms and conditions, including interest rates, fees, and referral program, are subject to change without notice. Please read the full terms and conditions before applying.
